Development This game is the result of the development of "HUNTERS" that was given as a prize to the Challenge ITK prize to develop the game program. The basic concept of this game is "HUNTERS" in which Bishi-chan makes friends with the hunter characters. The ultimate purpose of this game is to make it popular as the final stage of "HUNTERS", which reached the second place of the Big ITK (Challenge ITK) prize. You are the protagonist of the story who runs away from home and transfers to a mysterious school. "HUNTERS" is a new 'Final Stage' in "HUNTERS". Your goal in this school is to protect the school from the Bad Guys. In this school, you will meet a variety of friends, enemies, clues and questions. Can you make friends with everyone in the school?

the game, so it won't end, and you will have to press Escape in the launcher (it doesn't take a moment), if you press the 'Leave' button. Then you will have to wait for the game to be created, so when it's ready press Close in the Launcher, and you will get into the game (normally 5-10 seconds later). As you know, we always have a 24 hrs time delay, but if you experience the launcher crashing when you go to Origin Library to leave the game, it's normal, and it will resolve itself after leaving. I'm also planning to update the site soon, as I've had a lack of motivation to do so and I can
